

Batman

Both

Joker

I am Batman.

I am a hero.

Every day I fight crime
caused by the Joker.

I am humble.

People admire me for
my work.

I have a loyal sidekick.

Without the Joker . . .

I am the Joker.

I am a villain.

Every day I perpetrate
crimes which are solved
by Batman.

I crave attention.

People fear me for my
work.

I wish I had a sidekick.

Without Batman . . .

I have secrets.

We are total opposites.

I AM NOTHING!
